PHYSICAL SECURITY DIVISION HIGHLIGHTS

SEPTEMBER 1974

1. The Security Duty Office received a phone call

25X1C

[REDACTED]  
imaginative help of the officers on duty were instrumental in the successful handling of the incident. [REDACTED]

25X1A

25X1A

[REDACTED] Chief, Soviet Bloc Division, expressed his appreciation in a memorandum to the Director of Security in which he stated, "The Duty Office is to be highly commended for the care they took to insure that this potentially valuable call not be lost."

2. Physical, technical and procedural security support was rendered for appearances of the DCI before Committees of Congress. Appearances were made before the House Appropriations Committee, Defense Subcommittee; the Senate Appropriations Committee; and the Subcommittee on Intelligence of the House Committee on Armed Services.

3. Special security surveys were conducted of office facilities at the President's Foreign Intelligence Advisory Board and the Department of Agriculture to determine if either of these facilities may be accredited for codeword storage.

4. In cooperation with the Credit Union, a security survey was conducted of a portion of the headquarters of the National Federal Credit Union Administration to ensure that Agency classified material is properly stored and handled.

5. Forty-three (43) thefts in Agency buildings were reported during the first eight months of 1974. This is a dramatic increase over the ten thefts reported during each of the two preceding calendar years. Appropriate data has been compiled and a quick reaction capability has been established to cope with the problem.

6. Two Safety Officers attended the 29th Annual Federal Safety Conference and National Safety Congress in Chicago, Illinois, commencing 30 September 1974. During the conference,

the Secretary of Labor announced the signing of a new Executive Order designed to ensure that each Agency head is provided with the guidance necessary to implement an effective occupational safety and health program.

25X1A 7. Safety and Fire Inspections were conducted of [REDACTED] Office of Personnel and [REDACTED] 25X1A  
25X1A and [REDACTED]

8. Safety officers radiographed and physically inspected and declared safe three suspect items during the reporting period, i.e., a letter addressed to the DCI, a package addressed to the DDCI, and a package received by an employee at his residence.

9. A dangerous electrical condition discovered in the auditorium was corrected. Moisture which had collected in various electrical outlets and audio equipment on the stage had energized these units to a dangerous level.

10. Representatives from Swedish, Danish and French television networks were authorized to take pictures from outside Gates 1 and 3. These activities were monitored and controlled by security officers.

11. A bag of classified waste was inadvertently collected from a DDI office with unclassified trash. A task force of DDI personnel joined with Office of Security representatives in a successful day-long effort to recover the material.

12. Discussions were held with various DDO personnel concerning security aspects relevant to the re-establishment of an Agency presence in [REDACTED] the possible establishment of a [REDACTED]; and reconfiguration of the Station space [REDACTED] 25X1A  
25X1C  
25X1A

13. Three separate groups of Agency personnel assigned to the [REDACTED] 25X1A  
were afforded briefings on residential security. In connection with this activity, three residences were surveyed and specific security guidance was provided to the employee tenants. Considerable interest in the residential security program is developing and it is anticipated that the number of presentations will increase over the next several months.
